Family Footcare, PC - Solution Reach Portal

Manage your appointments - You can jump into the app for online appointment booking and make adjustments to times and dates as needed. No need to call the practice.

Submit a payment - We will send you a text or e-mail message when there are monies due and you can conveniently remit payments through our portal. We discount any monies owing (greater than \$75.00) if paid through the portal and if payment is made within one week of notice.

Secure messaging - It's so convenient for you to be able to connect with our office through an app.

The portal is a great way to access important documents, see before-and-after photos and much more. And it can happen from any electronic device.
